Product Data Sheet

L-VPP 80G-FI-SG-FA

Pressed steel swivel caster, medium duty design, with top plate fitting, with brake system 'stop-fix', wheel with standard solid rubber tire, with synthetic rim, non-marking, gray, with steel thread guard

EAN 4047526483654 ID 483651 Customs tariff number 83022000

Made in Germany

rig: L series

- pressed steel, zinc-plated, blue-passivated, Cr6-free
- · double ball bearing in the swivel head
- strong central kingpin (from wheel Ø 150 mm)
- swivel head seal
- minimum swivel head play and smooth rolling characteristic and increased service life due to the special dynamic Blickle riveting process

Wheel: VPP series

- tire: standard solid rubber, hardness 80 Shore A, color gray, non-marking
- rim: high-quality polypropylene, impact resistant, color black

Other features:

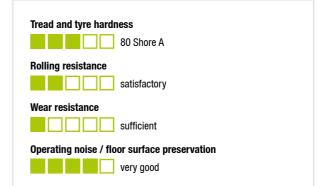

- · high chemical resistance to many aggressive substances, except oils
- operating temperature: -20 °C to +60 °C, reduced load capacity over +30 °C
